

FERMILAB YOUNG PROFESSIONALS

Fermilab **Young Professionals**

6/15/18

Edition 3

Hello FYP!

A lot has happened since our last letter! We held two focus groups in April to see what areas the lab is doing well in and what could be improved from the perspective of young professionals. We are finalizing the report and will have a follow-up in August to share the results.

We also had a great time at the climbing event on June 1. Thanks to everyone who made it such a fun event!

We hope to see you all at our hiking event on June 23!
