Fermilab **Young Professionals**

Hello FYP!

We hope you had as much fun as we did at the picnic! Thanks everyone who helped, especially Nick Peregonow for grilling!

Our first FYP committee meeting will be Sept. 13. If you want to help plan events and develop new FYP initiatives, please attend.

Being on the committee is a great opportunity to develop new skills and network. At this meeting, we will also discuss the focus groups. Everyone is invited to attend to read our focus group report and learn about our upcoming initiatives.

Upcoming events

- *Focus group report and first ever quarterly meeting Thursday, Sept. 13 at 1 p.m.*
