

# FERMILAB YOUNG PROFESSIONALS

Fermilab **Young Professionals**

10/17/18

Edition 6

## Hello FYP!

A lot has happened since our last letter! For one, we started an informal mentorship program called Fermi Buddy for new, young employees. If you are interested in being a mentor or having a mentor, email Hannah ([hward@fnal.gov](mailto:hward@fnal.gov)).

Thank you everyone who joined us for our discussion of the focus group results and plans for FYP. We have a lot of momentum and are excited to work on new FYP initiatives!

We had a great time at Bison, Bikes and Brews. We hope to organize more of these Fermilab bike tours next spring and summer!

If anyone is interested in helping coordinate events or has event ideas, contact Jeny ([jteheran@fnal.gov](mailto:jteheran@fnal.gov)) or Hannah.
