

FERMILAB YOUNG PROFESSIONALS

Fermilab Young Professionals

4/11/19

Edition 8

Hello FYP!

It's finally spring! We are so ready for the warmer weather and have been busy planning a whole slate of fun spring and summer activities! Our plans so far include a bike tour of Fermilab, a hiking trip, a baseball game, a financial planning seminar, and a few happy hours (of course).

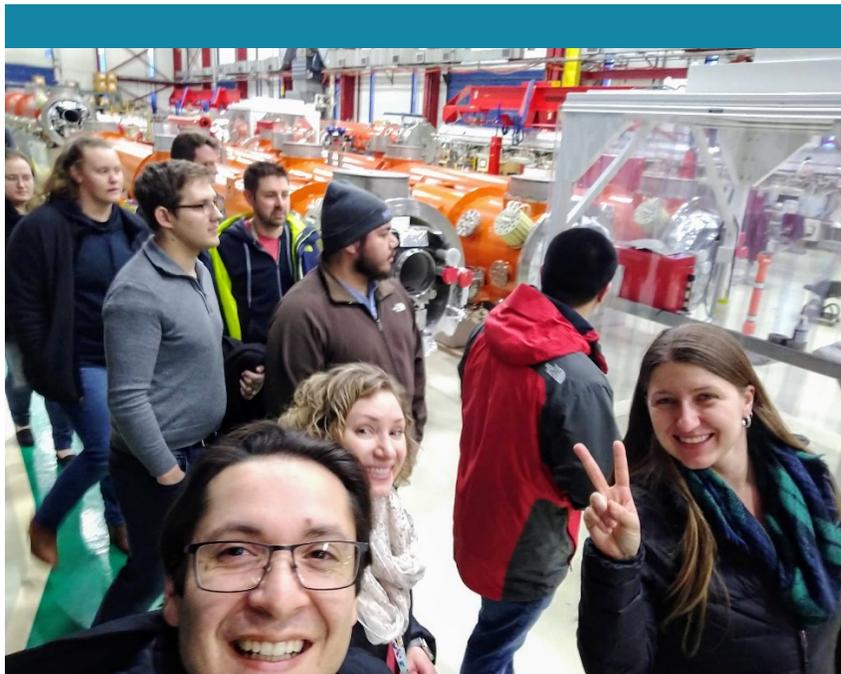

In order to make these events happen, we need your help! If anyone is interested in volunteering a few minutes to help set up events or has event ideas, contact Jeny (jteheran@fnal.gov) or Hannah (hward@fnal.gov).

Our next event will be a bowling night at [Fox Bowl](#) on Tuesday, April 30 from 5:30 pm – 7:30 pm

Past events

We hope you enjoyed the FYP climbing night in February and the SRF tour in March!
